SUPPLEMENTAL REQUEST FOR CORRECTED OFFICIAL FILING RECEIPT AND REQUEST FOR CORRECTED NOTICE OF ACCEPTANCE

Sir:

Applicants received a Notice of Acceptance (form PCT/DO/EO/903) dated December 7, 2005 and a corrected Filing Receipt dated July 21, 2006. Both documents state that this application is entitled to a filing or 371(c) date of July 28, 2005.

This is incorrect; all 35 USC 371 requirements were completed on June 17, 2005. That is to say, Applicants filed all necessary papers together with an original Declaration on June 17, 2005.

Applicants also filed a Supplemental Declaration on July 28, 2005.

However that Supplemental Declaration was not necessary either to complete this application or secure its rights under 35 USC 371; the Supplemental Declaration was

submitted solely in order to specifically mention the benefit of Applicants' rights under 35 USC 119(e) to provisional application No. 60/509,039. However, that application was mentioned in the original Declaration filed June 17, 2005.

For the Examiner's convenience, copies of the original and supplemental Declarations are attached at Tabs A and B, respectively.

Accordingly, Applicants respectfully request the Patent Office to issue a corrected official Filing Receipt and a corrected Notice of Acceptance confirming that this application has been accorded a filing date of June 17, 2005. Any fees incurred in connection with this request may be charged to deposit account No. 06-1205.

Applicants' undersigned attorney may be reached in our New York office by telephone at (212) 218-2100. All correspondence should continue to be directed to our below listed address.

Respectfully submitted,
